

PAN AFRICA CHRISTIAN UNIVERSITY

FINAL EXAMINATION SEPTEMBER-DECEMBER 2017

JMS301: AUDIO TECHNIQUES

This is a practical examination (Individual) – TOTAL MARKS – 60 MARKS

Undertake all Questions

1. Create a radio commercial script packaging PAC University as a home of arts and culture and use the script to make a 30 seconds radio spot.
 - I. Script (5 marks)
 - II. Commercial (15 marks)
2. You have been contracted to create a sound track to be used to accompany pictures that will be utilized to create a film to promote sports amongst students. The sound will dictate the picture tempo, the type of shot and the type of shot activity. Utilize existing songs, sound effects, natural sounds, gestures or even silence to create this sound. On the script indicate the corresponding picture but the picture will not be utilized since this is audio technique.
 - I. Script (10 marks)
 - II. Film sound track (45 seconds) (15 marks)
3. Create or outsource a spoken word script. Then write a script based on the words including music, sound effects and natural sounds to further dramatize the spoken word. Then record the script.

(15 marks)
