CANDIDATE TOOL

INSTRUCTIONS TO CANDIDATE

1. In this practical assessment you are required to perform the following tasks:

a. Camera Assembly:

- Assemble the provided camera.
- Attach the lens securely.
- Ensure all cables (if any) are properly connected.
- Mount the camera on the tripod.

b. Studio Setup:

- Set up the microphone for clear audio recording.
- Ensure all equipment is positioned correctly for recording.

c. Recording:

- Record two news intros following the provided scripts or brief.
- Use appropriate framing and lighting techniques.
- Maintain professional demeanor throughout the recording.

2. Submission Requirements:

- Record your entire work process.
- Save all recordings and relevant files (scripts, test footage) in a folder labeled with your name and admission number.
